Activities

For hiking and biking feel free to roam the entire property, as we do not yet have marked hiking trails. Maps are available at the reception.

No shooting/hunting is permitted.

The dam is unfenced. Guests use the dam strictly at their own risk. Young children, whether swimming or not, must therefore always be supervised by at least one suitably capable adult.

Water

Our tap water is safe to drink. Please consider that you are in a semi-desert environment thus USE WATER SPARINGLY!!!

Fire & Wood

Please only use designated Fire/BBQ areas to make fire. Take care when making fires and barbecues/braai's. There may be dry grass and bushes that burn easily. Do not leave any fires unattended. Wood for hot showers is included in price. BBQ wood is available at reception for N\$ 50.00 per 20 kg bag.

COLLECTING OF FIREWOOD IS STRICTLY PROHIBITED!

Electricity

There is no electricity at the campsite, but solar powered lights in and around the bathrooms.

Refuse

Please use the bins provided and as labelled.

Especially at the campsites, be aware of the baboons and throw all your KITCHEN SCRAPS in the bins provided. Left over foods and scraps attract unwanted attention of Baboons and other critters.

Smoking

No smoking is permitted inside buildings.

Drones

The use of drones requires permission from the reception.

Damages

We reserve the right to charge the lead guest for any damages caused through the course of a booking by any member of the booking party.
